## **Manufacturing Bulletin**

**Subject: Elimination of Pizza insert for Reel with non dry packing**

Date: March 12, 2009

**Integrated Device Technology, Inc. will eliminate the used of Pizza insert effective March 26, 2009. This is applicable to all tape and reel with non dry packing products.**

**The purpose of this change is for the packing process standardization and improvement of environmental load by reducing the paper usage.**

**6 feet Drop test have been carried out to ensure no adverse effect on the quality of the new packing procedure.**

**Kindly refer to attachment for illustration of present and new packing procedure.**

Yours sincerely,
