Manufacturing Bulletin

Subject: Implementation of 1P Over Pack Carton Box

Date: December 23, 2008

Integrated Device Technology, Inc. will implement 1P Over Pack carton box for single reel shipment effective January 19, 2009. This is applicable to all tape and reel packing products.

The purpose of this change is for packing process improvement, reduce material wastage and save storage space.

Kindly refer to attachment for illustration of present and new packing for single reel shipment.

Yours sincerely,
