## **Manufacturing Bulletin**

**Subject: Revise MSL label placement on IDT Penang dry-pack reel shipment packing .**

Date: March 8, 2010

**Integrated Device Technology, Inc. will implement new MSL label placement on IDT Penang dry-pack reel shipment packing effective March 8, 2010. This is applicable to MSL label for levels 2, 3, 4 and 5 .**

**The purpose of this change is to include IDT Singapore MSL label placement practice into current IDT Penang MSL label placement procedure in view of the closure of Singapore facility.**

**This change is only applicable for Dry-pack Reel shipment.**

**Please refer to Attachment I for illustration of IDT Penang current and new MSL label placement on dry-pack reel packing procedure .**

**During the transition period, customer may receive IDT Penang dry-pack reel shipments in previous and new MSL label placement; however, each shipment will contain either the new or old practice and not mixed.**

Yours sincerely,
