This notification is to advise our customer that IDT has qualified new shipping trays for VFQFP 64L products. The new trays provide better protection during product shipment. Please note that there will be a change in number of units per tray from 260 to 207 units/tray. There is no change in the tray dimensions.

Attachment I details the change. Attachment II provides a list of affected products.

RELIABILITY/QUALIFICATION SUMMARY:

The new trays have passed IDT qualification. Please see Attachment I for the qualification results.

CUSTOMER ACKNOWLEDGMENT OF RECEIPT:

IDT records indicate that you require written notification of this change. Please use the acknowledgement below or E-Mail to grant approval or request additional information. If IDT does not receive acknowledgement within 30 days of this notice it will be assumed that this change is acceptable.

IDT reserves the right to ship either version manufactured after the process change effective date until the inventory on the earlier version has been depleted.
